**December 6 – December 22
2024**

I am writing to seek your support for a special initiative aimed at spreading joy and creating lasting memories for children who have disabilities and children in the foster care system in our community. We believe that every child deserves the opportunity to experience the magic of the holiday season, and your generosity can help make this dream a reality.

This December, Highview Arts Center will be staging a heartwarming production of Charles Dickens' timeless classic, "A Christmas Carol." We are thrilled to announce that we are planning to provide free tickets to children in our community, specifically those who have disabilities with a sensory-friendly performance and children in the foster care system. We aim to make this holiday tradition accessible to all, regardless of their circumstances.

Our goal is to ensure that every child can experience the wonder and excitement of this cherished holiday tale. By offering complimentary tickets, we hope to create a memorable and inclusive experience for these children. However, we cannot achieve this goal without the support of caring and generous sponsors like you.

We are seeking sponsorship to cover the cost of tickets for these deserving children, as well as additional expenses such as transportation, refreshments, and accessibility accommodations. Your contribution will play a significant role in making this initiative a success and spreading the spirit of giving during the holiday season.
